A Letter from our Alumni President

by the class of 1979, with the Lesson Study to follow by Carl Shaw '74. Our morning message will be by Dennis Carlson '64. For Friday night Vespers we will be having "Alumni in Action".

POSITVE side. I ask that each of you dig deep and accept this challenge. Also this year I have taken on a project for the Alumni. The piano that is in the church is in bad need of some repair work. As we all know, music was a great part of Little Creek. For this project we need to come up with about 3000.00 to cover half of this project. So with figuring up all the Alumni and Friends that we have on our mailing list, I am asking that each of you send in 5.00 a piece. If you add the dues and this project that will only be 25.00 a piece. Please help support this project and the cost for the newsletter and weekend expenses.

Dear Alumni

It is hard to believe that summer is gone and that fall is in the air. Where did the summer go? I hope that everyone has had a safe summer and is ready for fall and old man winter. If you believe in the signs from the "old timers" it's going to be a cold and long winter.

I hope that everyone has marked the dates for Alumni Weekend which will be **October 16 & 17**. Plans have been made for a great weekend. Our Sabbath School program will be

As you all know, Alumni Weekend isn't cheap to do. Over the years it seems like our money has gone toward the negative side instead of the positive side. This newsletter cost money each time we mail it out and also the food that is eaten throughout the Alumni Weekend also has a price tag. I know lately that times have been tough for lots, that's why I am making a challenge to each Alumni and Friend to give 20.00 a piece for a donation. If ALL the ALUMNI and FRIENDS would give 20.00, the alumni bank account would greatly start going back on the

May the Lord Bless each of you, and I hope We will all be ready for His Soon Coming.

Knoxville, TN: Hope for Hard Times

The Student Evangelist Scholarship is available for up to ten students each year. It was developed to provide matching dollars for returning academy or college-age students interested in being involved in evangelism.

People of all ages were invited and involved in the "Hope for Hard Times" series held at Little Creek Sanitarium, June 5-27, 2009.

Joel Greve, a 16-year-old student at Georgia-Cumberland Academy, presented Bible messages, and then guests were encouraged to join a youth-led small group where questions about the presentation were discussed.

Joel Greve, and many of his helpers

Two young men made a decision to be baptized. At least three others have indicated a desire for further study in preparation for baptism. The meetings created a strong sense of community among the participants and guests.

Josh is the son of Rick '78 and Denel '79(Hiner) Greve

Nicole Scott (daughter of Jeff Scott '74) leading out in one of the small group discussions at the Student Evangelistic Series.
