A Letter from our Alumni President

Happy Holidays to all!!!

I hope that this letter finds each of you well. It is hard to believe that 2010 is almost over. Where has the year gone? Plans are already in the making for next year's Alumni Weekend which will be October 21 & 22, 2011. For those who missed out on this year's Alumni Weekend, it was a joyous time and also sad

time for we had a Celebration service for Mrs. Straw. The one thing that sticks out in my mind about Mrs. Straw was the learning of the quotation from the book of Education page 57 "The greatest want of the world is the want of men-- men who will not be bought or sold, men who in their inmost souls are true and honest, men who do not fear to call sin by its right name, men whose conscience is as true to duty as the needle to the pole, men who will stand for the right though the heavens fall." May God Bless each and everyone of you as you go through this holiday season.

Alice Straw Passed to her Rest

As most of you already know, Alice Straw passed away this year. After a long happy life of teaching and learning she is at rest waiting for her Lord's return.

How many of us open the door on a cold winter night to let the dog out before bed and look to the sky? Cassiopeia, Ursa Major, Aldebaran in Taurus and that reddish looking star Betelgeuse in Orion all come into view, and memory. The lights of the new neighborhoods surrounding Little Creek take their toll on an otherwise clear and wonderful night for star gazing from the old tomato patch. However, if you hold your head high and concentrate just so, you can still hear that voice coming from a small little lady wrapped up in a blanket pointing out the glory of the heavens.

Having the fortune of being one of her students in English gives you two things. Knowledge and fear. Aboard, about, above, across, after, against, along, amid, among.... All prepositions and a sinking feeling that you will use one to either start or finish a sentence. See? Knowledge and fear.

Do you remember these words? Tree, light switch, stool, car, glove, gun, dice, skate, cat and bowling ball. Her students everywhere still use her memory techniques to assist in tests, mandatory information and even to win a board game on family night every once in a while.

Education, Page 57. If you don't remember it, go and look it up. You will.

Good bye "Aunt Alice." You will be missed in life, but never in memory.

Chris Gustin, Assistant Administrator

2 Timothy 4:7,8

“I have fought a good fight, I have finished my course, I have kept the faith:Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing.”

Ma Jones- at 112 years young, Died November 30, 2010.

Ma Jones as she was affectionally called was known and loved for many things. A wonderful cook and she made pies of all kinds for many of us, and I, think of her fried pies! Ma was full of adventure and having fun.
